Hastings Update

It was very encouraging to read that the numbers for horses currently residing on the Hastings backstretch is up, over 350. Track superintendent Drew Levere has done an excellent job with the track surface and reports are that the track is in excellent shape for this time of year.

Nominations Due Date

An important reminder; early nominations are due on **Saturday March 24, 2015**. The Jack / Sadie Diamond **mare in foal payment** and the **second payment for horses foaled in 2013** are both due on this date. The forms for all of the early nomination stakes will be available on the Hastings website very soon.

The forms for the new broodmare incentive program and an explanation of the rules are available on the CTHS website at cthsbc.org
